AUSTRALIA'S PREMIER CAR CLUB FOR PRETIGE CARS AND DRIVE DAYS

WELCOME TO THE WORLD OF UNLIMITED DREAMS IN...

# *the fast lane*

A world of childhood dreams.  
A world that fuels our passion.  
A world created for the financially astute.  
A world where there is always something new to drive.  
A world created for those who live life to the full.

We are proud of what we have created over the years. A place for people who enjoy knowing that the keys to practically every new supercar can be theirs, whenever they choose. A place for those who never just 'settle' for things.

And that's just the beginning. If you would simply like access to cars, that's great and it's what the Club is all about. However, for those who want more, we do that too. The genuine 'money can't buy, it's who you know' invites. The social

gatherings with people you'll love spending time with. The Club that we call 'our university network for grown-ups'. It's a sense of belonging and a zest for life that epitomises all that we do.

We love what we do and we would love to be part of your life's journey too.

## Advantages of Membership

The advantages of membership are compelling, whether they be financial, social or lifestyle related. These include:

- We guarantee that we always have a selection of new supercars available for members to use, even on the busiest summer weekends. Our cars are typically only used around 25-40% of the time, meaning we have great availability all year round.
- Our car collection is unrivalled and we buy almost every new supercar as and when it is launched. This means you will have access to 40-50 different supercars every year.
- Due to the huge number of cars we buy, we are able to purchase the most sought-after limited-edition supercars for the Club.
- We deliver cars all over NSW and Australia, making it easy and convenient to have supercars at your disposal wherever you are.
- The Club has a vibrant social scene, with members invited to exclusive events, including new car launches, manufacturer drive days, factory tours, parties and other social occasions.
- The Club has a thriving community spirit, with many friendships and business relationships formed along the way. Indeed, there is fantastic camaraderie and sense of belonging within the Club
